Dear Partners in a Divine Purpose,

IMN experienced God's faithfulness throughout the past 6 months of the year 2018. I would like to take this opportunity to thank the Almighty for all the provisions that He has bestowed upon us during the first half of this year. The Lord expanded our tent with new missionaries, a new Hindi Bible School in Delhi apart from the one in Ajmer, Rajasthan and also to start an M.Th program to train more missionaries for the mission fields in India.

Our missionaries have been working vigorously to reach the unreached parts of Northern India. Due to their fervor and zeal for the Lord, our missionaries are travelling in harsh conditions in efforts to spread the Good News. We are providing a better way of life for the outcast in the society and leading them to the Lord by teaching them the Word of God and the love of Christ. We have seen tremendous results and know God is going to do even more great works in the coming months and years if our Lord tarries to come. Everything was made possible because of your faithful prayers and support.

The impact of your prayers and support are imminent and apparent through the reports we received from the mission fields. Nothing is more encouraging than to see souls coming to the Lord. Let us strive to do even more in the coming days as your partnership with IMN Ministries have resulted in the joyful salvation of countless souls.

IMN FAMILY SEMINAR-2018

The Executive Committee has decided to conduct a three day Family Seminar for IMN Missionaries and their families from October 17-19 at Greater Noida, UP. The purpose of this seminar is to have our missionaries come together as a family and celebrate the Goodness of God in their Ministry and also to familiarise with other servants of God working in different parts of the country.

Such a family seminar has been planned after 18 years due to lack of finance to conduct such an event. But this year, feeling the great need for such an event, the leadership of IMN has prayerfully decided to take a step of faith. We do not have any finances at present, but we believe that Lord will open ways to meet every need as it is His work.

Prayer Points

- For a great move of the Holy Spirit during the three days of seminar and a revival be birthed in the hearts of each missionary.
- For the guest speakers and coordinators
- For journey mercies of all IMN missionaries and their families
- For the financial needs to be met. May Lord raise up sponsors to financially support this event.
- For the venue and other arrangements
