The Impact Mission to the Nations

Dear Partners of a Divine Purpose,

IMN experienced God's faithfulness throughout the year 2018 and as we begin this New Year, I would like to take this opportunity to thank the Almighty for all the provisions that He has bestowed upon us. The Lord expanded our tent with new missionaries, launching new missionary training programs in Hindi to reach villages and other states in north India with the gospel.

As an organization, our primary goal is to offer hope and help as active witnesses for Jesus Christ through serving others. We always see God do amazing things in the lives of those we serve as well as our own lives.

On behalf of the missionaries working in the pioneer mission fields of IMN/FGC in India, I want to personally thank you all for supporting us through prayer as well as financially during this past year. Your prayers and support are making an eternal Impact in the lives of the lost. In this New Year, our main focus and prayer is to start ministries in new areas where the gospel has not reached. Pray for faithful workers and sponsors for this great cause. We look forward to working together to reach the most unreached in India in this New Year. (1 Cor. 15:58).

May 2019, be filled with His grace and anointing to share Christ with people and fill our hearts with His love for the lost.

HAPPY NEW YEAR TO ALL!

HARVEST INDIA BIBLE INSTITUTE

The journey of HIBI this year has been a roller-coaster ride for us but by God's grace, we were able to run this Institution as it was the Lord who is doing His work. We began our 2018-2019 Academic Session in the month of June 2018. We have a group of young ladies and gentlemen studying the word of God in the Bachelor of Theology Course. Also, men and women of God doing their Master of Divinity Course (Correspondence) at present. It was a challenge for us to run this Institute at times on seeing the financial part but the Lord who started this good work in us was faithful to bring in the needed resources from unexpected sources. In addition to the existing Bachelor of Theology & Master of Divinity Courses, an eight months, Hindi residential training course under the leadership of Pr. Jijo Varghese mainly focusing on the IMN Vision and Mission for the planting of new field works in the area where no work has been done. Thanking all our prayer partners, well-wishers and financial supporters for your valuable investment in the Kingdom of God. May He richly bless you according to His riches in glory

FGC SUNDAY SCHOOL DEPARTMENT

Train up a child in the way he should go, and when he is old he will not depart from it. (Prov. 22:6), as this verse says so is the motto of Sunday School to train up a child from early childhood so that the Word which creates transformation can bear fruit and help a child to realize God as supreme in life. Through the last year, the Lord enabled us to carry on with this mission and teach as many as 150 students the flawless Word of God with dedicated teachers and the department worked hard to help this Word be taught in the language of their understanding. We conducted our Annual Examinations for the academic year of 2018 in the month of April and the results were declared thereafter. On September 02, 2018 we conducted the Sunday School Anniversary wherein an unexpected gathering was seen and 10 students graduated from Class X and Class XII. The functions of Sunday School are going in a well mannered and well-constructed way, as the teachers and students are putting their best foot forward for the Lord. God Bless!!!

ORPHANAGE →

Therefore, to him who knows to do good and does not do it, to him it is sin (James 4:17), as goes this verse if a Born-again, Spirit-filled Child of God doesn't do any good to our neighbor who is needy, our lives are meaningless and God's ultimate plan and purpose for our lives aren't fulfilled. In allegiance with this verse, we are planning to adopt an orphanage run by the pastors in Odisha, where 34 boys are staying as they expressed willingness to join the IMN Organization. They have Govt. approved license and building at their disposal but are struggling to run it due to lack of finances. We the children of the Almighty God don't share with our brother's burden then our Christian lives and preaching are just in vain. Praying for God to prepare people with open hearts and hands to help them in this good work.

ODISHA NEW MISSION STATIONS

We are planning to start new mission stations in the tribal belts of Odisha wherein some 40 odd pastors working among the tribal groups of Odisha are willing to join with IMN and work for the expansion of God's kingdom. Recent past Pr. Jijo Varghese, Pr. Biju Thankachan and the Odisha State overseer Pr. Benedict Kunjumon visited these areas and saw how the pastors are working with zeal and enthusiasm to fulfill that Great Commission. Relying on God's guidance Rev. Mathew Oommen IMN Patron with Pr. Benedict Kunjumon-Odisha State Overseer and Pr. Biju Thankachan are going to visit these pastors in the month of February 26 & 27. We are praying and seeking sponsors for these additional pastors who are willing to join the IMN Organization.

CHRISTIAN YOUTH MOVEMENT (CYM)

Youth Challenge, January 2019

The year last was a blessed one for the IMN CYM Department as we could conduct some youth meetings, seminars, and camps in Delhi and Ajmer. All the programs and activities of CYM was a blessing to many. The attended youths encouraged the organizers to conduct more fellowships of this kind where they are free to enjoy in the Spirit and be themselves. If God willing some more meetings for the youth is being planned out so as to make them efficient in life and Spirit to counter this culture at present.

A One-day seminar for the youths was conducted at FGC Raja Garden on Jan 12th, 2019 under the leadership of the Church. Around 35+ youths attended the meeting and were really blessed through the sessions taken by the servants of God.

PRAY FOR INDIAN GOVT.

"for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness (1 Tim 2:2) as this verse clearly tells us that we need to pray for the ones in higher positions, rulers of the land so that we may be blessed and so to the land where we dwell in. In the light of this verse, let's pray for the upcoming Parliament Election 2019 and the leaders who are standing as candidates for different positions of leadership. Let this election open the floodgates for Gospelization and for the smooth working of the Gospel to reach the length and breadth of India with the Gospel of Transformation.
