A publication of Impact Mission to the Nations (IMN)

From the President's Desk...

Dear Christian friends,
My loving greetings to you all in the blessed name of Jesus Christ!
My heart was overwhelmed with God's love and faithfulness as I witnessed the fruits of our labor in the mission fields. I praise God for the dedicated missionaries with us,

laboring for the Lord even in the midst of several difficulties and struggles.

The last two long years of lockdowns every now and then due to the Pandemic, Covid-19, it was not possible for us to visit the mission fields or conduct any meetings in public. However, as the Lord changed the situations, I and my wife could come to India in the month of March. We had a blessed time in the mission fields, visiting missionaries, attending the Missionary Conferences held in different places, ministering from the Word and so on in the last two months, March and April. Today, by God's grace, the IMN ministries are going on well although there are many needs, and He is enlarging our boundaries. Our Pastors and missionaries are focusing the ministry among the most marginalized people and showing them the love of God..... I want to thank each one of you for your kind donation and sincere prayers. Your caring support to this mission, it makes a great difference in the lives of thousands of people in Northern states of India. We hope and pray that you will continue to partner with us to extend the Lord's kingdom.

I thank God for your love for Him and for His children! May He give us all the strength to keep serving Him faithfully.

GRADUATION SERVICE

The graduation service of Harvest India Bible Institute (HIBI), which is the missionary training wing of IMN was successfully done on April 7th 2022. Twenty-five students of different courses like, M.Div, B.Th and Diploma in Theology were graduated this year. The Director of the Institute, Pastor P.K. Samkutty shared the word based on the Theme- 'Kenosis'- The Self emptying of Christ, which gave a mission challenge to the graduates. Pastor Mathew Oommen commissioned and prayed for the students.

Many a time, there came such situations and circumstances which brought at the brim of a closing down of the Institution. However, as it is the Lord who started it, He enabled the leaders not to close down but to go on with the mission of equipping labourers for the Harvest. All the graduated students are involved in full-time or part-time ministry. Pray that all of them be fruitful in their mission fields.

Please do pray for the continuous growth of the ministry in this new place, and God to use Evg. Haroon Masih and family for His glory.

The Lord helped IMN missionary Haroon Masih to start a new mission station in Faridkot, Punjab in the month of June 2021 with one family. God's servant started to conduct the Sunday service at the house of a believer.

God started to bring new families and did miracles in their lives. During Christmas time, great breakthrough happened in the church. Around 100 people gathered for the Christmas celebration. The majority of them attended the meeting for the very first time. On hearing the Good News, many believed in Jesus and started coming to the church.

So, we had to shift to many new places for the Sunday

DREAM OF AN OWN CHURCH BUILDING COMES TRUE.....

Church building under construction - Gonda

Pastor Gyan Singh, an IMN missionary serving the Lord in Gonda, a remote village in Uttar Pradesh, for many years he was conducting the worship services in a small rented house. As the years passed, the Lord began to add many from the village to the fellowship, and then it became very difficult for all of them to sit together in the small room for worship. So, it was an earnest desire of them to have an own church building where they could worship the Lord freely. The Almighty honored their desire and answered their prayers by helping them to buy a piece of land. Now, they could start the construction work of the church building and it is under progress. Pray for the speedy completion and for God to supply all the resources at the right time.

Glimpses of the mission field visit in the villages of Uttar Pradesh

IMN ministry in other parts of Uttar Pradesh is steadily growing and the Lord is doing wonders through His servants there. Pastor Shaji Abraham, the Overseer of the state is constantly visiting the missionaries and encouraging them to labor for the Lord with whole of their heart and strength.

CHRISTMAS OUTREACH

Christmas is celebrated to remember the birth of Jesus Christ, the Son of God. It is celebrated by people around the world and it is a time to give and receive presents. For the missionaries of Impact Mission to the Nations, it is a momentous time and opportunity to share the real story of Christmas to the hundreds of non-Christians in different villages. Each church had involved in one or the other programs through which the joy of Christmas was proclaimed in the villages, markets, streets and slums of Delhi, Haryana, Rajasthan, Uttar Pradesh, Odisha, Himachal Pradesh and many other places.

Pastors along with their church members have organized Christmas outreach in different villages. All these were the public meetings where they have performed choreographies and skits which conveyed the Gospel message to the audience. The people were excited to watch the programs. In every village the message of Christmas was shared in an interesting way which captured the people's attention. There was a special time for prayer in each place, for the sick and needy. Also Christmas gifts were distributed in some places which had brought a real smile on the faces of the lesser-privileged. Our missionaries were overwhelmed with great joy and enthusiasm as they have witnessed the abiding presence of God throughout each meeting and people's response to the Gospel. It is our prayer that all those who have heard the message of Christmas may come to the joy of salvation in the near future.
